Backyard Orphans, founded by Eric and Trisha Porter, is a non-profit ministry based right here in Midlothian! Did you know there are 400,000 children in the foster care system?

There are also over 350,000 churches in the U.S. This problem is solvable and the church is the solution! Backyard

Orphans exists to engage and equip churches to care for children in foster care. They see a day where there are more families waiting on children than children waiting on families. For more information visit backyardorphans.org
