e3 Partners Mission Trip to Armenia, Colombia

MODEL:

You will work with a Colombian translator to share your testimony and the gospel of Jesus Christ. This will be done primarily using the simple, effective tool of the EvangeCube.

Most of our team members do not view themselves as 'gifted evangelists'! However, all of us can share the gospel effectively in Colombia. You will be amazed at how God will work in and through you. You will receive all the training you will need as we move forward.

As you share the gospel, you will be trained to look for signs of openness. From there, the aim is to start home Bible studies, which form the nucleus of a new church.

The Mission in Tarapoto, Peru, offers a meaningful opportunity for mission work, being the feet of Jesus by sharing His love with the Children of Compassion and serving the local church, all while experiencing the Amazon rainforest filled with Lush forest, rivers and waterfalls.
