MISSION HIGHLIGHT

Meet Johan and Haruko Strydom serving in Japan!

Johan and Haruko Strydom are committed to change by sharing the gospel in Japan.

There are very few evangelical Christians in Japan, only about 0.3% of the population making it one of the most unreached nations in the world. Many people in Japan have little knowledge of the Bible and don't even know the meaning of Christmas. Churches are shrinking, the average pastor is 70 years old, and most churches see no baptisms each year.

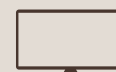

Please continue to support them through prayer so that more people may come to know Christ.

You can also support their mission by scanning the QR code and giving to the ministry.
