Register today and save your spot!

Scan QR Code to register & find out more details about the Story of Scripture event.

We encourage you to not wait to register your family. MBC has first opportunity for registration before it is advertised to the other churches in Midlothian.

MINISTRY HIGHLIGHTS

Our audio/visual system has been built piece by piece over the years, and recent issues have revealed how fragile and difficult it is to maintain. At the same time, God has grown our online reach to **over 100 people each week**. **This online population** includes those who are homebound due to age, illness, or disability, as well as many who first experience our church online before ever walking through our doors. Our online services are a significant part of how we help people find MBC. We want to be hospitable to them and continue having the opportunity to share God's Word each week through our streaming ministry.

This upgrade will provide a reliable, fully integrated system that strengthens both in-person worship and our online ministry, while also giving us the flexibility to move and adapt the system in the future if needed (something our current setup cannot do). **We have been given a time-sensitive matching grant that will cover 50% of the cost if we act this month, making our goal \$50,000.** We will take a special offering this Sunday that will go directly towards this need. Please prayerfully consider how the Lord might lead you to give towards this. You can scan QR code on the back to give towards this need.
