MISSIONS HIGHLIGHTS

PERU Missions

This year in Peru, our teams have partnered with local churches to serve children in jungle villages around San Martín through dental hygiene, using the opportunity to share the Gospel and the love of Christ. Our electrical team has also worked alongside local church electricians and laborers to replace and improve electrical systems in churches, helping make them safer and stronger for ministry.

Your giving makes these trips possible and we are thankful for your partnership in the mission of Christ. Reach out to Jeremy Finnestad to hear more details on this year's mission trips.
